# COOKIE NOTICE

## Use of cookies by Plastigauge

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site.

All of the cookies we use on our site are 'functional' (which means that they are only used to make the website work) and therefore can't be switched off.

The table below shows the cookies set by us on our site and the reason we use them.

| Cookie | Purpose |
| --- | --- |
| _grecaptcha<br>rc::a<br>rc::b<br>rc::c | These cookies are used to allow us to distinguish between humans and bots. |
| JSESSIONID<br>wc_cart_hash_#<br>wc_fragments_# | These cookies allow us to store what visitors have added to their shopping cart. |
| machine | This allows the Worldpay payment link on our website to work and for visitors to make payments. |

None of the cookies collect 'personal data' (information from which you could be identified) but if you'd like to find out more about how we handle personal data please see our Privacy Notice.

To find out more about cookies, including how to see what cookies have been set on the sites that you're visiting, go to www.aboutcookies.org or www.allaboutcookies.org .
